

NEWTOWN NURSERY SCHOOL

EARLY YEARS PUPIL PREMIUM STATEMENT

2017/ 2018

The Early Years Pupil Premium (EYPP) is additional funding made available by the Government to settings with eligible 3 and 4 year olds. The funding is provided in order to support raising the attainment of disadvantaged children, as defined by the Department of Education, and close the gap between them and their peers.

The funding equates to £302.10 per year if a child takes up their full 570 hours of free education entitlement. The criteria for eligibility for EYPP is:

- Children from low income families (as defined by the criteria for free school meals)
- Children who have been looked after for 1 day or more (Children's Social Care)
- Children who have been adopted from Local Authority Care in England and Wales
- Children who have left care under a special Guardianship Order or Child Arrangement Order in England and Wales

All parents are asked to complete an eligibility form on admission to Nursery School so that entitlements can be claimed and the funding used to help plan strategies and provide activities to help raise children's attainment.

Eligible children benefit directly from the funding and through the very nature of the approach to Early Years provision other children within the group also benefit.
